new ~~letter~~ ^{peppy}

I have known you for more than
10 years and we are still neighbors. If
you would ever more I don't know
what I would do at nights when
we sit on our porch and talk
for an hour or two every night. We have
been close friends, we had a couple
of fights but they didn't amount to
anything. I don't have much more to say
because you are a saphead and I don't
I will have a little more to say.
Remembered the good times we had and our
picnics and parties we always stuck together
remembered the time up Dave's house when you
I find not the kissing type.

Lots of luck to a
small witty girl

Dearest Peggy,

I have known you for a few years but I have enjoyed every minute of our Friendship. You know there was an old saying "A Fond friendship grows deeper." Well I guess thats what has happened in my case.

I have always enjoyed my self in your company. Remember the Sweet times we have had in the past and I hope they will continue in the future.

Your pleasing personality and smile is warmly welcomed by everyone, including me. We can truthfully say we never had any quarrels and I hope we won't ever have any in the future.

You are a Sweet dancer who I like to dance with very much. Remember the Sweet times we had down the Mill Run.

We had a Sweet time on the premises too remember?

Well I guess thats all I can say!!!!
But I wish you everything possible in the new future.

Love

Wm.

Dedication

A jolly, good fellow,
He's everyone's friend.
His fine sense of humor,
Has never known end.

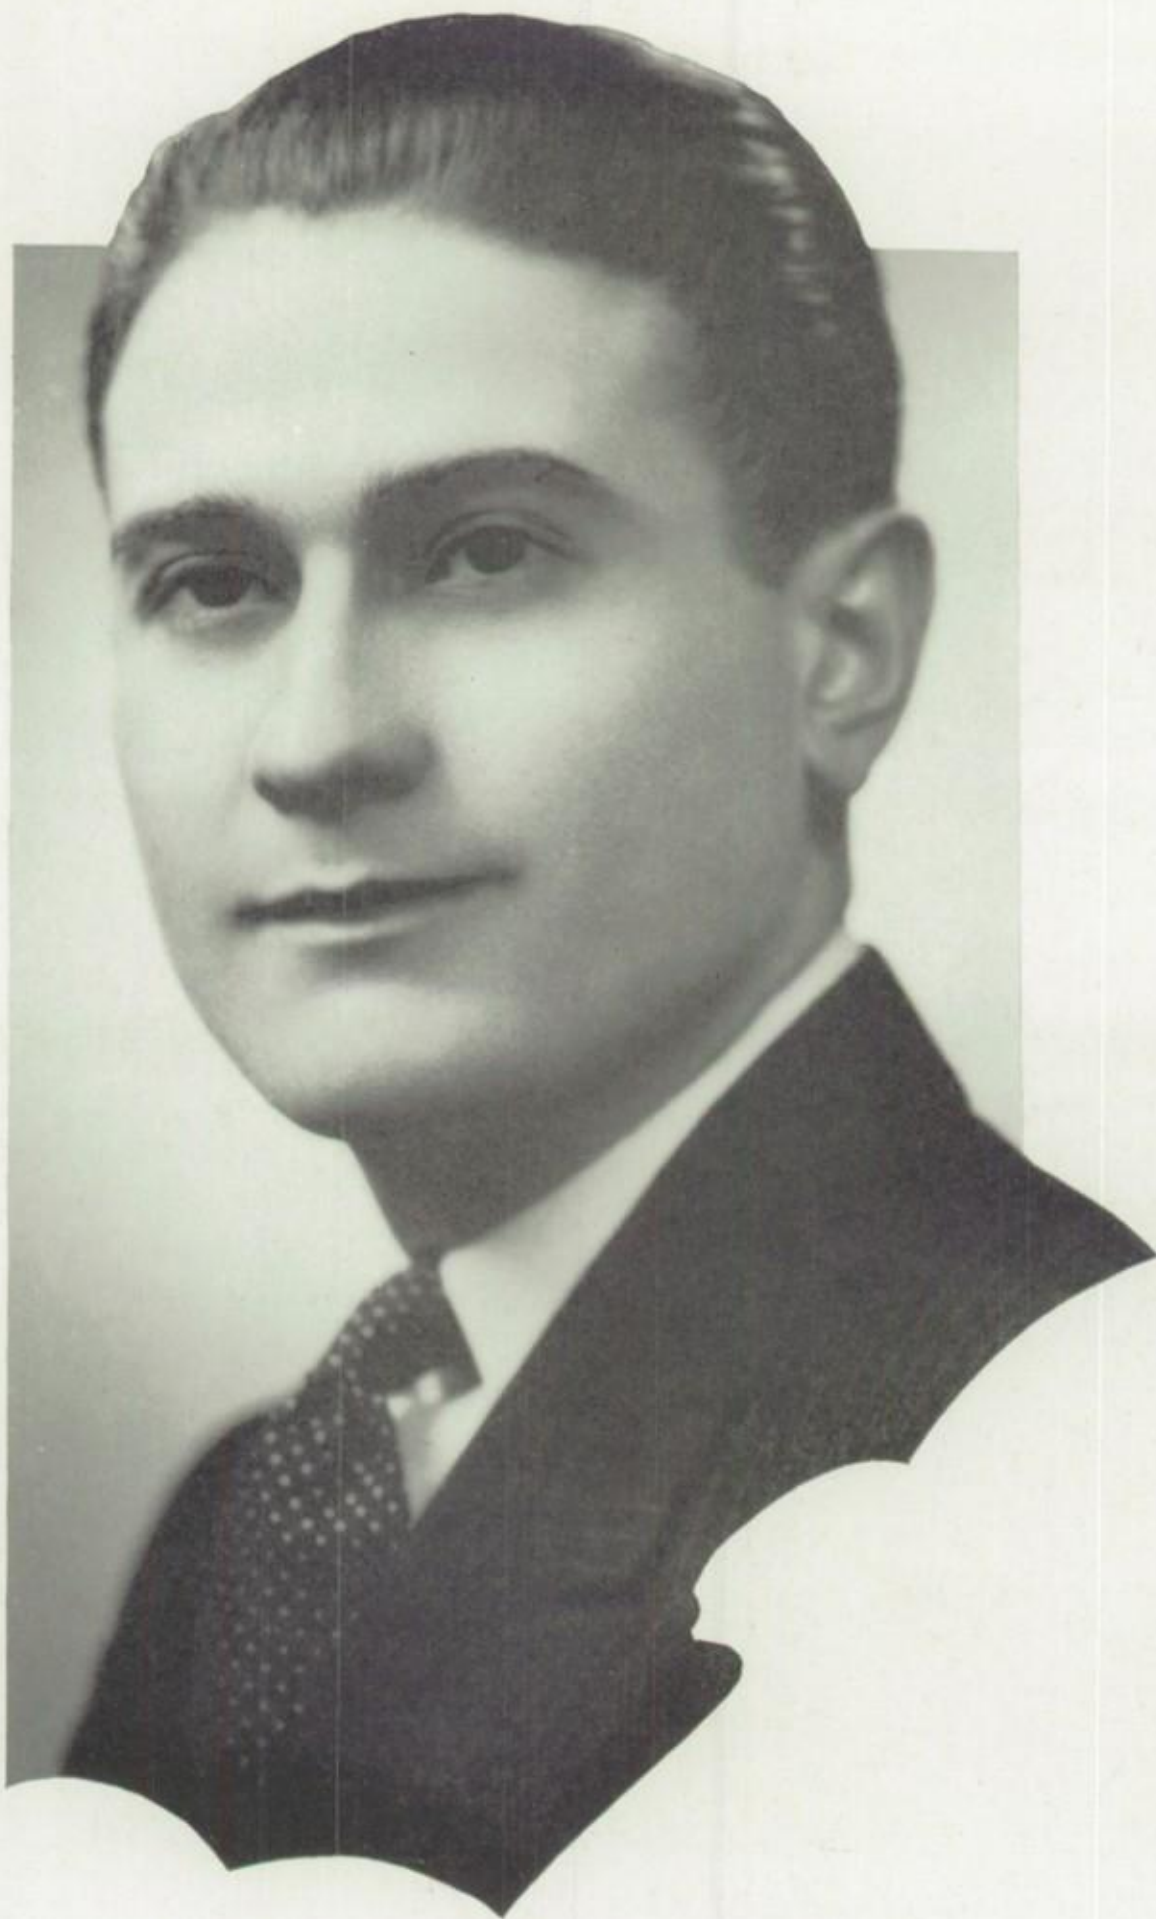

His personality has proved
manly indeed.
He's a guide, a teacher, and
a friend in need.

His specialty is Mathematics.
He has things "figured out"
quite right.
Unto the torch of learning,
He has furnished a bright
light.

Long will be remembered
The work he has done here,
With a cheerful smile,
a pleasant word, and
thoughts so sincere.

And so to one so learned
And one so full of fun,
We dedicate, our Janus—
The class of '41.

MR. LAWRENCE EVANGELISTA

Alma Mater

Dear old high school we are loyal
To the White and Blue,
To the loyal friendship formed here,
We will e'er be true.

We shall always aim to serve Thee,
Alma Mater, dear.
Keep thy honor bright and shining,
And thy records clear.

When we leave Thy walls enfolding,
Memories so dear,
We shall know what priceless treasures
Were the hours spent here.

Chorus

White and Blue, we love Thy banners
For Thee we will fight.
Thy traditions, manners, customs
Ever shall be right.

My Janus

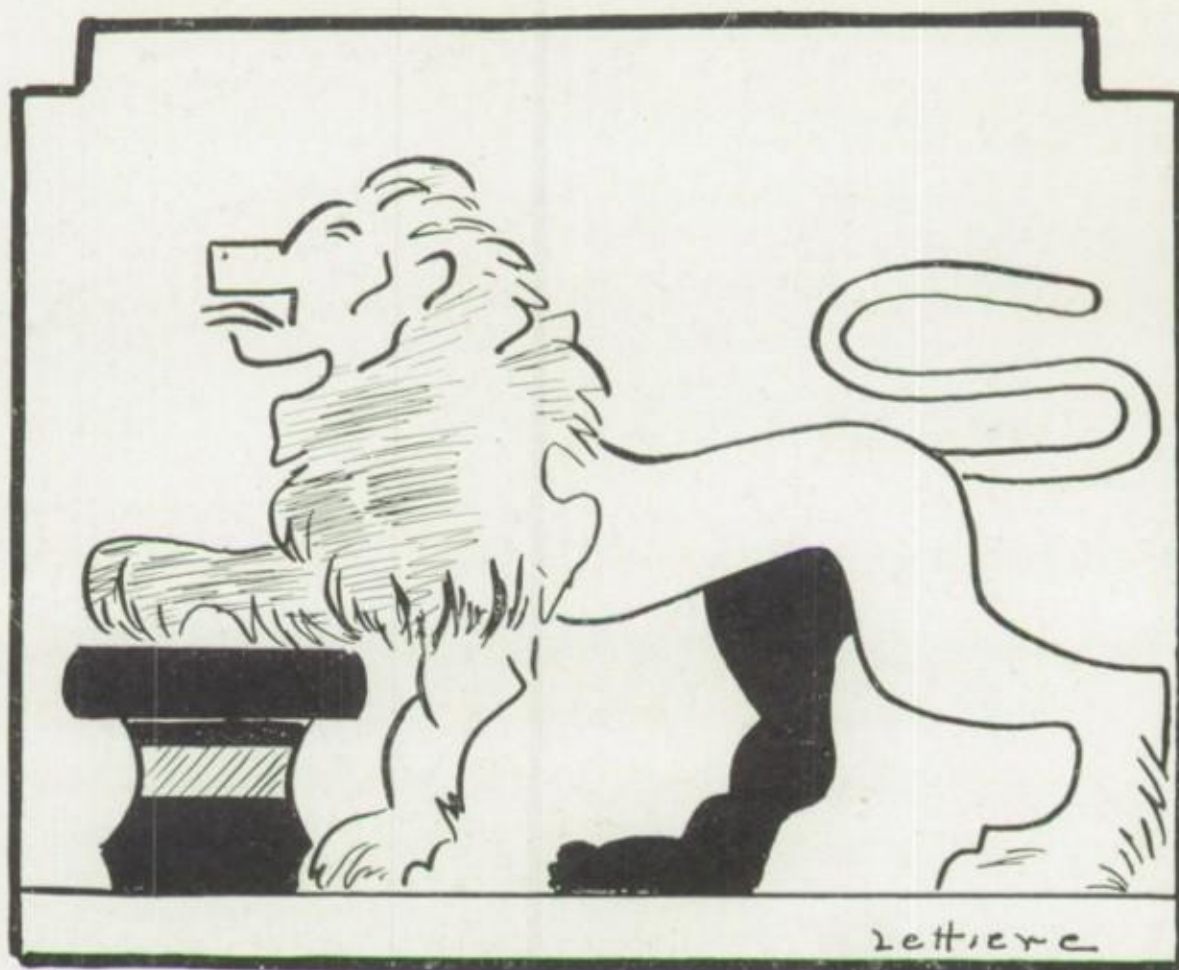

Oh Janus,
You are a silver memory.
So sterling, so brilliant, so bright
May you throughout the ages,
Keep its treasured quality right.

You hold a memory for each high school
friend
Whose friendship, graduation brought
to an end.

In every little fiction,
In every little truth,
You hold a memory
Of life's flaming youth.

And when I am well on my way in life,
Facing its facts, and wading through
strife,
May I open your pages,
And there within gaze,
Upon the silver memories
Of my high school days.

Senior Class History

In the fall of 1938 a regiment of promising young recruits marched bravely through the bewildering portals of H. H. S. The Commanding Officer was Anthony Chirico, assisted by the Lieutenants Roy LaRocca, Peggy McCurley, Mary Petrilla.

An important battle was won when we presented our first hit, "Boy Meets Family" starring, Shigo, Fatsie, Bove, Fierro, Minnich, Corrado and others.

During our second year of training Roy LaRocca was elevated to Commanding Officer, and John Sabia, Florence Redleberger and Gail Fegley acted as Lieutenants.

To command us through our happiest year, the Senior Class appointed Thomas Sweeney to take the position of General. His assistants were Mary Curilla and Marie Keegan.

The decisive victory was won when "The Henpecked Husband" was produced. The stars of the production were Bachman, Scatton, Minnich, Hladish, Coll, Rosendale, Sherry and Schwartz. The recruits were sent out into the world prepared to fight the endless battles of life. Through their excellent training received, the class of "41" is bound to be successful.

FANNIE SANDO
"Fanny"

"Fanny" has a gracious manner that spells sincerity. Because of this she has made a deep impression on students and teachers alike.

DANIEL SANTANGELO
"Doghead"

For being the best half-back on his football team, Daniel was named "Doghead". His smile and friendly nature will lead him to success.

ANNA SARICH
"Ann"

Happiness and "Ann" go together. She seldom worries about anything. She will long be remembered by her classmates.

CLARA SAUERAKER
"Bunny"

"Bunny" cannot help but linger in our memories long after we have graduated. The class of "41" wouldn't have been the same without her.

JAMES SAUERS
"Jimmy"

"Jimmy" was responsible for that wonderful trumpet music in our band, and was always ready to add his humor to homeroom programs.

LOUIS SAULLO
"Louie"

"Louie" can always be seen riding around in his car. Here's hoping he rides the road to success.

ANTHONY SCALISE
"Tony"

An earnest, capable and thoughtful worker, "Tony" has proved that industry and good fellowship may go hand in hand.

LILLIAN SCAMBIA
"Vickie"

"Vickie", another Deanna Durbin, has certainly entertained us with her delightful voice. Her success is assured.

FRANK SCATTON
"Frankie"

"Frankie", in spite of his casual manner, is a person who is very studious. May this lead you to success in the future.

JOHN SCATTON
"Scatton"

"Scatton" is always displaying his Italian. He likes debates and can always be found in the thick of one. He can usually uphold his end of the argument.

RITA SCATTON
"Rio"

"Rio" is small, cheerful and greatly interested in her friends. If she does as well in life as she has in school she will be a sure success.

HALL of FAME

Ten Years From Now

June 1951.

Dear Audy,

I've just lived over the happiest years of my life. Just imagine, a whole day with my friends from the Class of '41. I had a grand time. Most of us went to the grove in buses from Matteo's bus line. Rocco owns the line and some of the drivers were Johnny Sabia, Walter Davis and Melvin Levine. When we arrived there the place was crowded. Merle Fowbell and Regina Shigo were busy autographing boxes, hats, etc. Merle is starting in a new movie and can she tap dance! Regina is appearing in her grandest stage success, "Victoria Regina." Then I went over to the swimming pool where Bud McGrory and Betty Charest were putting on an exhibition. Betty recently won a beauty contest. I went over to the lawn where Lois Ann Fairlie was sitting, watching the exhibition. She looked as lovely as ever and I'm sure her French pupils enjoy being taught by her. She told me Mary Ellen McLean wasn't at the reunion because she was too busy signing diplomas for the Luzerne High School seniors. She certainly is a competent principal.

Over on the baseball diamond, George Andrejco was coaching one team and Bob Steckroth the other. Of course, they both are experienced so the game was good. George is coaching football at Fordham and Bob just received national recognition for his brilliant coaching at Princeton. His wife, Dorothy Tomasick Steckroth, was sitting on the sidelines, close by. The players were all flocking to the infirmary where nurses Janet Butterwick, Esther Brill, and Mary McElheney were in charge. But then, you certainly can't blame them.

Our class has certainly contributed to the journalistic field. Mary Curilla's latest book has everyone talking. It seems as though every new one is better than the last. Norma Rothman was busy taking notes for her social page. The *New York Times* has certainly improved since Norma's on the staff. Of course, John Sharp's newspaper is still giving it plenty of competition. After all, it is the great, "Philadelphia Record". Francis Fatsie, the Sports Editor for the *Plain Speaker* was very interested in the ball game.

Agnes Golias, Anna Dulcey, and Stella Lash were sitting on the sidelines and munching popcorn. They were talking over business conditions and as private secretaries to prominent business men they are well versed. Betty Schaller is also in the business world. She is a stenographer in the P. P. & L. Mary Brill and Jean Bartol had to hurry off before noon, as they are working on the afternoon shift down at the Bell Telephone Switchboards. Salvador Mope and Billy Gissel were walking around smoking and passing out cigars to everyone. You can see the signs of successful business men all over them.

The toastmaster at our banquet was Tommy Sweeney, our Class President. Tommy, has returned to his Alma Mater and is keeping up Hazleton's outstanding basketball record by his coaching at our High School. Anthony Chirico, the head chemist at the duPont Manufacturing Company was the main speaker. He had us all in awe with his records of new discoveries. Marie Keegan sat next to me at the table. Even though she is an important department store executive, she is still the same Marie. She told me that Peggy McCurley was taking a screen test next week. Peggy's Drill Corps is always in demand. She also said that Jean DeMarco, the child specialist is planning a lecture tour. The afternoon was soon over and then—the evening.

We danced to the melodies of Anthony Clatch's orchestra. Lillian Scambia delighted us with a few solos. Her career with the Metropolitan Opera Association is an outstanding one. Roy LaRock, our dashing army captain, was dancing with Mary Bachman, the famous dress designer. Florence Redelberger, Anthony Clatch's guest soloist, had us all humming the latest tunes out. Billy Smith, Yale's coach was in the stag line. He's still the great romeo. Billy Thomas, Fred Gregor, William Hoffman and Jimmy Sauers were playing with Anthony's orchestra for this special occasion. Of course, they are usually conducting their own on concert tours. Billy Muir was causing a mild riot, to say the least. He learned a lot of new tricks and jokes and he was telling them to everyone. The Jitterbug Contest was won by Dolores Nalevancho and Dick Sager. Incidentally, I forgot to tell you who won the many contests we held during the day. Angeline Marrone, the typist champion, won the peanut-rolling race, and Josephine Long, the head nurse at the State Hospital won the pickle contest.

The Fashion Show was also held in the evening. Some of the models were Rita Fluri, Esther Fellin, Louise Slicker, and Irene Petruska. Janet Underwood, the stylist, described the latest fashions. Donald Cullen, was a scream, when he not only described the men's fashions but also modeled them. Byrnice Byorick was as witty as ever and she certainly kept the stag line moving. While I was dancing I noticed Robert Rothacker, the manager of the New York Yankees enjoying himself. Both he and Frank DeFluri, the manager of the Philadelphia Athletics, were getting along together (for a change). The decorations in the hall were beautiful. Genevieve Lettiere and Phyllis Korba, the famous artist and interior decorators, were responsible for them. The Blue and White scheme was carried out, and you couldn't help remembering the Basketball games. Charles Sherry and his wife, Beatrice McCoy Sherry were dancing together when John Bove, the movie idol, cut in. John hasn't married yet, he would rather keep all the girls guessing. Mr. and Mrs. Mike Hazara (she was Helen Minnich) were having a grand time trying out the latest steps. Mike is the superintendent of the Duplan Knitting Mills and has proved to be an outstanding executive. "Shat" Gallagher and Joe Grega, mine foremen, were dancing the polka and the Irish Jig when I glanced over in their direction. You can just imagine how they looked, dancing together, but each one doing a different dance. Mary Grace Cauley, Marian Crease, and Isabelle Engard, were acting as hostesses to the out of town guests and doing a good job of it.

Gosh, Audy, I'm so sorry you couldn't come to the reunion. You missed all of the actual gaiety but I hope I've helped you to relive some memories.

After the dance was over, we all gathered around and sang the Alma Mater; it certainly was a stirring scene. Finally we pulled down the blue and white decorations to take home as souvenirs, memories of the finest class that ever graduated from the Hazleton Senior High School. Once again we crowded into the buses, and drove homeward, singing the grand victory songs of the old school days. It was an unforgettable day for everyone of us.

Your loving friend,

Duly

"Life's Crucible"

Winning Oration by
Mary Curilla

Life—a "Great Crucible"
A moulder of men,
A temper of personalities,
Into which is poured, all of
the characteristics of
an individual.
Out of which is poured—
a man.

Throughout the entire composition life is visualized as a great crucible into which man places his characteristics. The selection of traits he places into the bowl, will determine the kind of "man" that will result. He may be the "Spice"—the flavor of humanity—genius.

He may be the "Staple" of humanity, which is the fundamental essential element, or he may be a "Vapid"—possessing spiritless, zestless, dull, flat qualities.

The Oration was an appeal to learn to live in a beautiful wholesome manner that life really is for:

Life is a Crucible of characteristics.
'Tis just what you are and you do.
So put into your crucible
The best that you are,
And the best will come
Back to you.

Bon Voyage

MARY CURILLA

We are all aboard the vessel "School", upon the deep, wide sea of "Education", and our destination is "Reality".

The only way we can reach that destination is by true facing of the real things in life. Yet many of us have fallen into the day dreaming state of evasiveness.

We evade the reality of earning, by stealing.

We evade the reality of studying, by cheating.

We evade the reality of truthfulness, by using falsifications and meager excuses.

We evade the reality of routine, by "skipping" or running away from it all.

As we stand by waiting, progress continues. In a world that moves there is no time to build castles in the air, or mount the future in gold. Awaken youth, stop evading the reality of life.

After you have Journeyed far enough and worked hard enough, you will come to the shore. You may look back and smile, for you have fulfilled your purpose in life by living it to the fullest extent of its reality, and now you have reached the eternal goal of mankind—happiness—Bon Voyage.

Success

(KLINE ESSAY)

"How can I make my life a success?" If you start a thing, finish it; co-operate with your associates; work toward your goal; lend a helping hand to some one less fortunate than you; and follow the three best leaders—parents, teachers, and God.

In every person, especially the young people, there is an urgent plea to "come up higher" and they can climb if they will.

The Keynote to Success: The Will to Learn

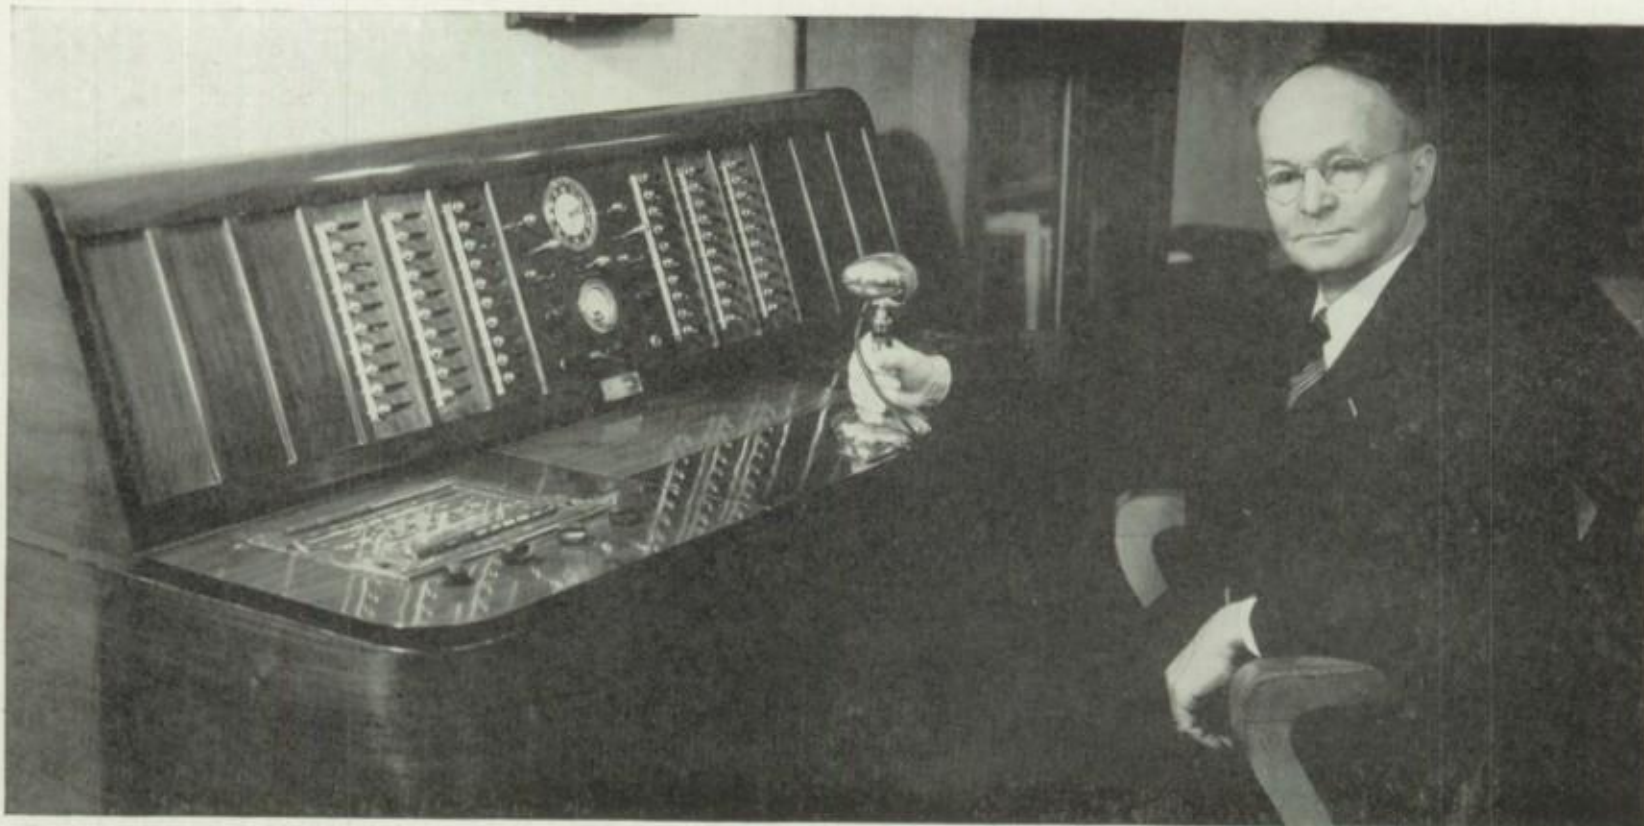

(KLINE ESSAY)

You can improve your skill in almost every task, mental or physical, on which you are now engaged. In all your undertakings the results depend on whether you honestly want to improve, whether you honestly want to try. "Organize your whole life with respect to the will to learn. R. C. A. Sound System

This year the educational facilities of our school have been enhanced by the addition of a sound system. This system enables the office to speak to all of the rooms of the school at one time, or to just one or a group of rooms. This facilitates the making of announcements to the student body. One of the classrooms has been set up with a microphone so that groups of students may present programs, which may be heard by the entire student body while they are in their class rooms.

Radio programs or recordings can also be broadcast in as many rooms as is desired.

Junior Class History

In the fall of 1939 a group of inexperienced students gathered together for the first meeting of a newly organized group. The organization was called "The Class of 1942", and the meeting was called to order by President John Apichella. The minutes were read and approved by Secretary Jane Malkames, and the Treasurer, Arlene Veneroso gave her report. John Hospidor was Vice President of the group.

This promising group chose as their symbolic colors, red and white.

Meetings were dispensed with over the hot summer months, but every member was present for their second important meeting in the fall of 1940. The newly elected President, Daniel Fornataro, took over; Anne Iffert was Secretary, and Anthony Lucadamo was made Treasurer. James Scarcella was elected Vice President. This year proved to be quite a success as our store of knowledge expanded considerably.

The Junior class has gained school wide recognition for the high honors it has attained, and we are sure it will continue to do so in the most important and most trying year of them all—the Senior year.

We Give You--The Juniors

In June, 1942 when the present Junior Class graduates, it should have the record of being the largest class ever graduated from Hazleton High School. At present it is made up of four hundred and fifteen boys and three hundred and seventy five girls for a total of seven hundred and ninety students.

The experience gained by the members of the class while they were Sophomores began to show up this year. The Juniors have taken a large and important part in all our activities. We find them enrolled as members and leaders in all our school organizations. Many of the important cogs of our athletic teams the past year were Juniors. They contributed immensely to the success of these teams, and will serve as a nucleus for rebuilding next year.

As Seniors who are about to depart from these portals, we give you—the Juniors. They are to be congratulated for their achievements of the past two years. They have conducted themselves as ladies and gentlemen, and have shown a sincere desire to learn. May they have even greater successes in the future.

On the morning of September 3rd, the Sophomores started work on a three act dramatic production, "Life With The Class of '43." As Student Coach they chose Gladys Snyder, Stage Manager, Albert Brown, Script Reader, Marion Seidel, and Business Manager, James Porpiglio.

As work on the drama progressed, they arranged to set the stage in the colors of maroon and white.

All through the year, those who will assume prominent roles in the final act have been proving their ability. Keep on, Sophomores, you have the ability to produce a great play.

To The Sophomores

When the Sophomore Class entered High School last September it was the largest class to do so in the history of the school. It was made up of nine-hundred and sixteen pupils. In the group there were four hundred and twelve boys and five hundred and four girls. The class was so large that there wasn't enough room for them in the Senior High School. The Sophomore Commercials had to be sent over to the Arthur Street building. This plan has worked out splendidly, and those pupils in the Annex have spent a happy and profitable year there.

The Sophomores have contributed immensely to the success of our athletic teams, clubs, productions, and other activities. Some of them have become outstanding in their first year in High School, while a good many others are gaining the experience and poise that will enable them to become finished performers in their respective fields.

The Sophomores established a record when they elected a girl, Gladys Snyder, for Class President. This is the first time that this has happened in the history of our High School. The experiment worked very well, as the class has had a very successful year under the guidance of its president.

To the Sophomores, we the Senior Class offer our congratulations for a successful year, and hope that you may go on to greater glory in the future.

Thespian-Playmaker Club

Three major plays have been produced by the Hazleton Senior High School, Troupe No. 257, under the direction of Miss Marian V. Brown. The first of these, "The Henpecked Husband", was given by the Senior Class on October 25. The other two plays, "New Fires", and "The Case of the Laughing Dwarf", were staged under Thespian auspices. The season has also included the production of many one-act plays for various occasions.

Thespians are devoting much time to their Entertainment Bureau which they have organized and which is extremely active in furnishing entertainment for a number of local groups.

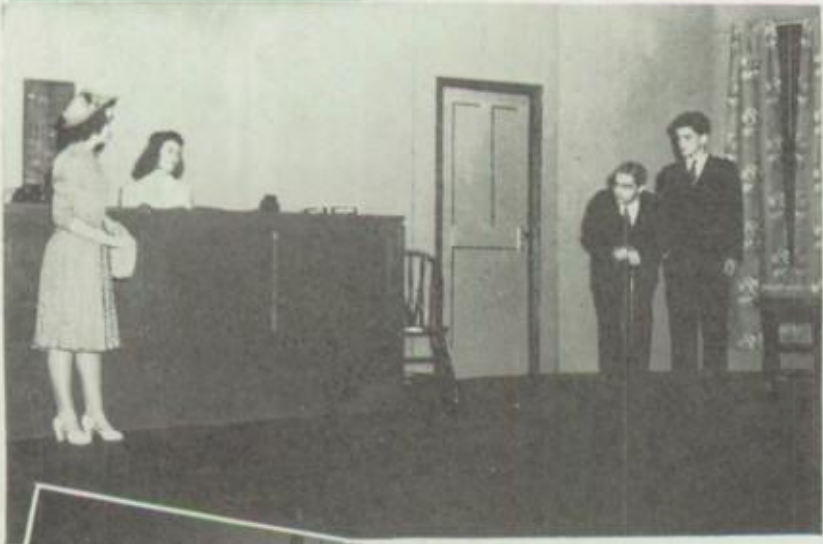

The Troupe is kept constantly before the public and there is a new interest in dramatics throughout the entire school.

"There will be a Cadette meeting, Thursday evening, at 7:15, in the Y. W. C. A."

"Cadette meeting? What is a Cadette meeting?"

"It is a meeting of 200 high school girls."

"What activities do Cadettes participate in?"

"Entertaining programs, such as: The Faculty Tea, for all the teachers and parents; Heart Throb Dance; Dime Hops; a Ceremonial; a Christmas Party; Swimming Parties; Skating Parties; Fashion Show; Speakers; and Crafts."

The Annual Mid-Winter Conference, which was held at Scranton this year, was attended by a large delegation from Hazleton. There is a summer conference which is attended by a few of the most active Cadettes.

Major credit for the club's success goes to the officers and advisers

The German Club

At the beginning of the year the German students, under the direction of Miss Walser, organized a club which they named "Der deutsche Verein" or the German Club.

The following students were elected as officers for the club:

President Mary Petrilla	Treasurer Margaret Billig
V-President . . Margaret Albrehta	Reporter Walter Optulsky
Secretary Louise Broskoske	Program Chairman . Jack Mulhall

First and second year German students of high scholastic standing constitute the membership of the club. The purpose of the club is to develop an interest in the German language, and to provide enjoyment in education, and in social activities. The meetings are held every second and fourth Wednesday of the month.

It is hoped that the foundation laid by the present members will be strengthened by their successors.

Ende gut, alles gut.

“Le Cenacle”

“Bonjour! Comment allez-vous aujourd’ hui?”

“Trés bien, merci.”

“Le Cenacle” is the French word for a higher type of club found in France. Under the direction of Misses Kirschner and Pengelly, the second year students met bi-weekly and enjoyed various programs and activities, including a fall dance, a bake sale, and an annual spring banquet.

The leaders of the club for this year are:

President.....Lois Ann Fairlie	Secretary.....Carl Schwartz
V-President.Mary Ellen MacLean	Treasurer.....Esther Remick
Reporter...Melvin Levine	

The purpose of the club is to develop and increase an interest in French life, language, customs, traditions and history, to improve the facility in speaking French, and to impart in practical use, a French atmosphere, the French learned in the classroom. In order to accomplish this, the meetings were conducted in French.

It was not until the second semester that the first year French students were admitted. The first program proved the worth of the new members.

As the officers handed over their positions at the annual banquet in May, they wished the new members—Une bonne annee, beaucoup de succès, et au revoir.

Junior Red Cross Organization

Under the capable direction of its new sponsor, Miss Helen Hill, the Junior Red Cross Club has been active not only in school but also throughout the city. Its toy project gives happiness to poor children at Christmas time, its bake sale furnishes the money to purchase glasses for the needy, and its scrapbooks, cartoons, and jigsaw puzzles entertain the sick during convalescence. These competent workers are always on the job and deserve all the credit one can give them.

MR. ROBINSON

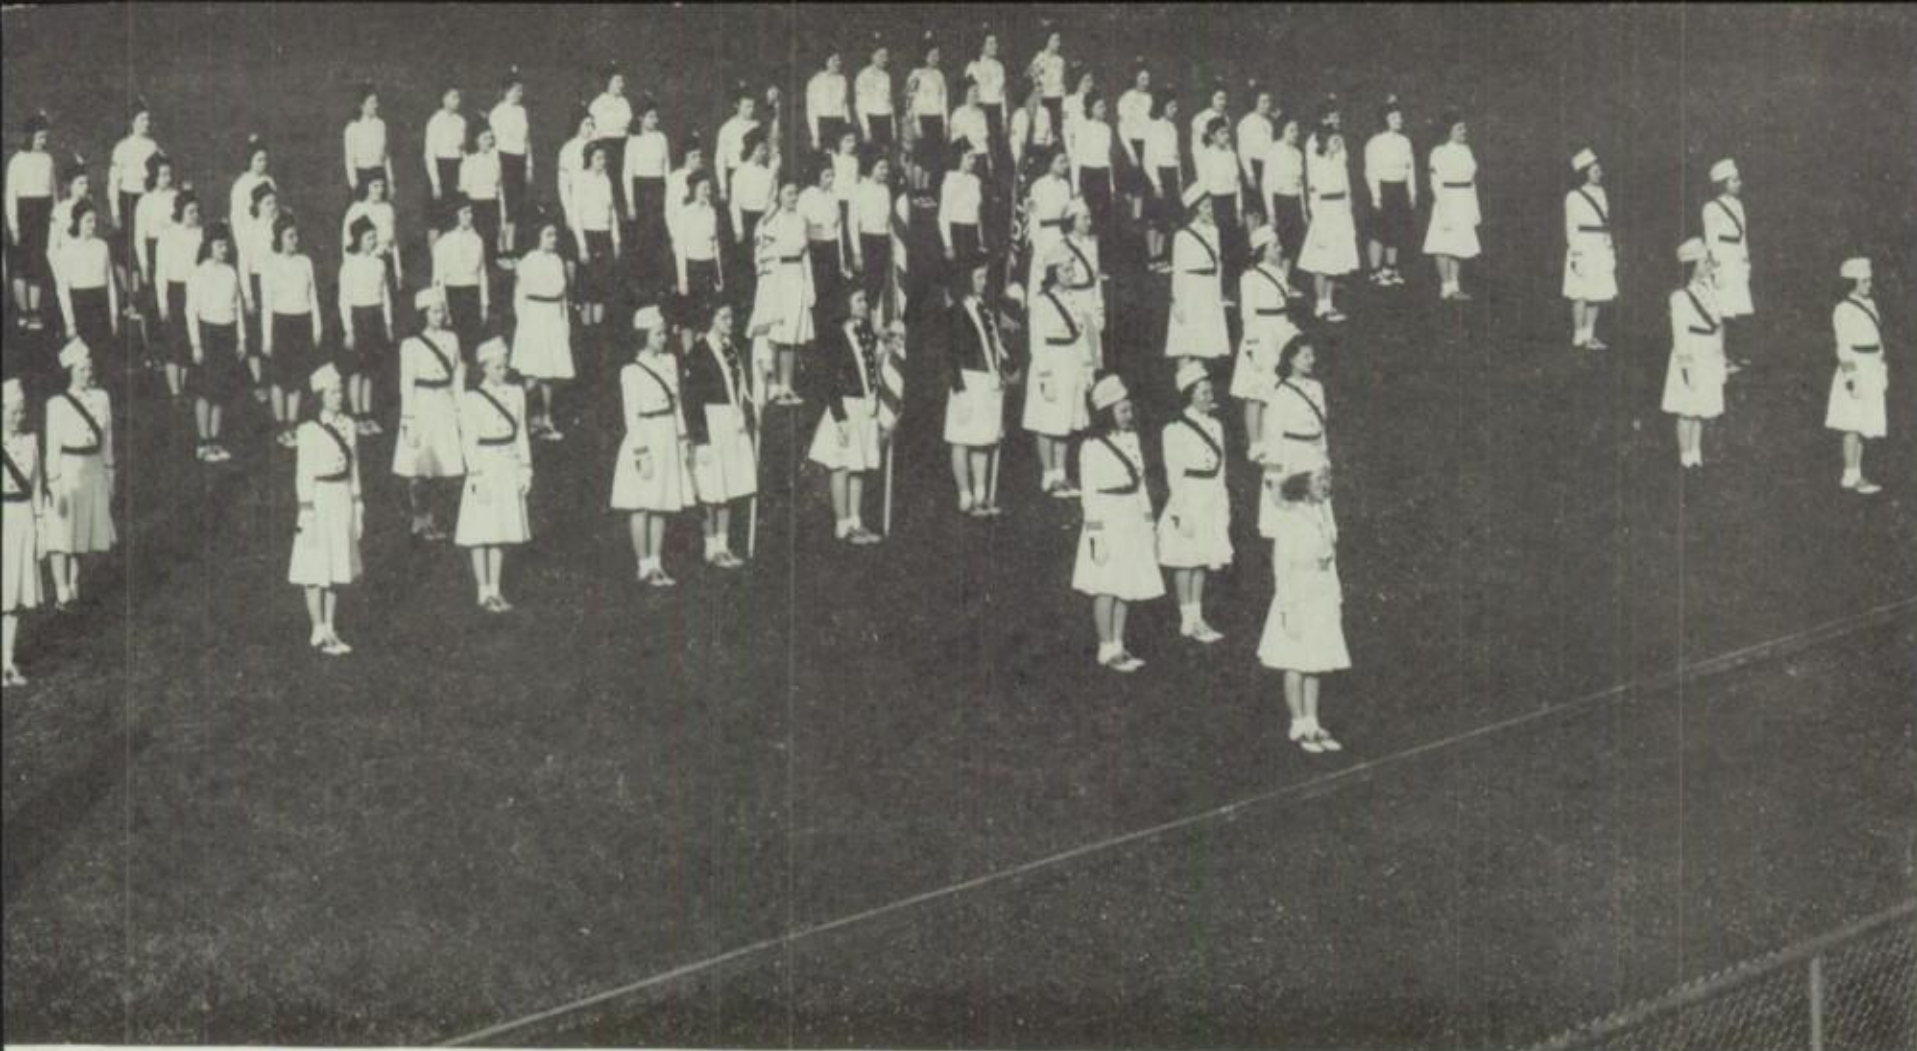

MR. HOTALEN

The Girls' Drill Corps enjoyed the most successful year of the three years they have been in existence. They presented a striking appearance as they paraded into Harman-Geist Stadium before each game. All eyes in the Stadium were focused on these girls as they went through their intricate maneuvers with ease. Their presentation of the American Flag, using flash cards, was a spectacle worth seeing.

The Drill Corps was under the direction of Captains Edward Robinson and Rudolph Hotalen. The commanding officer of the Corps was Peggy McCurley.

No athletic contest in which our school engaged would be complete without the nattily uniformed Hazleton High School Band. Each year they have presented lively tunes and intricate drills for the enjoyment of the fans. This has added greatly to the color of our football games. The Advanced Chorus of the Hazleton Senior High School, under the supervision of Mr. George P. Schwartz have received much praise and recognition from the music lovers of the high school, and this vicinity. This club was organized in 1939, and the members were selected from the general chorus classes. Work and pleasure combined have given this club its high standing.

May the Advanced Chorus achieve greater heights in the years ahead.

H. H. S. Choral Club

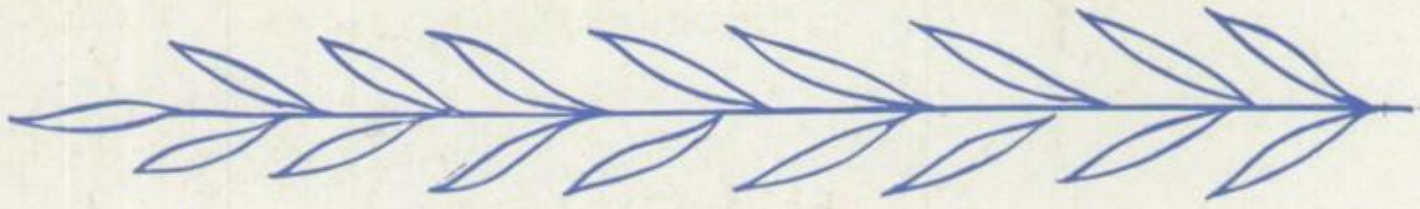

A new club was organized in the Hazleton Senior High School under the leadership of Mr. George P. Schwartz; namely—"The H. H. S. Choral Club." Hard work and cooperation have given this club a grand start on the road to success. The officers who were elected for the year are:

President.....Michael Mancuso	Secretary.....Steve Roman
Vice-President...Joseph Perkosky	Treasurer.....Marvin Rau

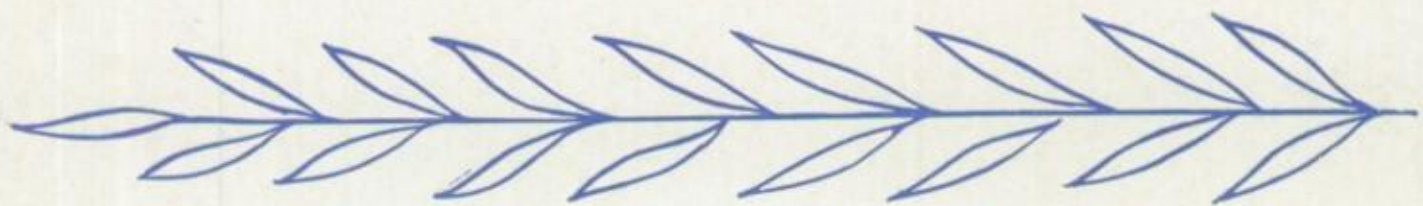

A Bake Sale under the auspices of this club was a big success and the profits were used to buy music for the "Minstrel Medley" held on April 18. Many favorite songs were chosen for the Minstrel, such as "Deep In My Heart", "Hallelujah", from "Hit The Deck", "When Day is Done", and many others.

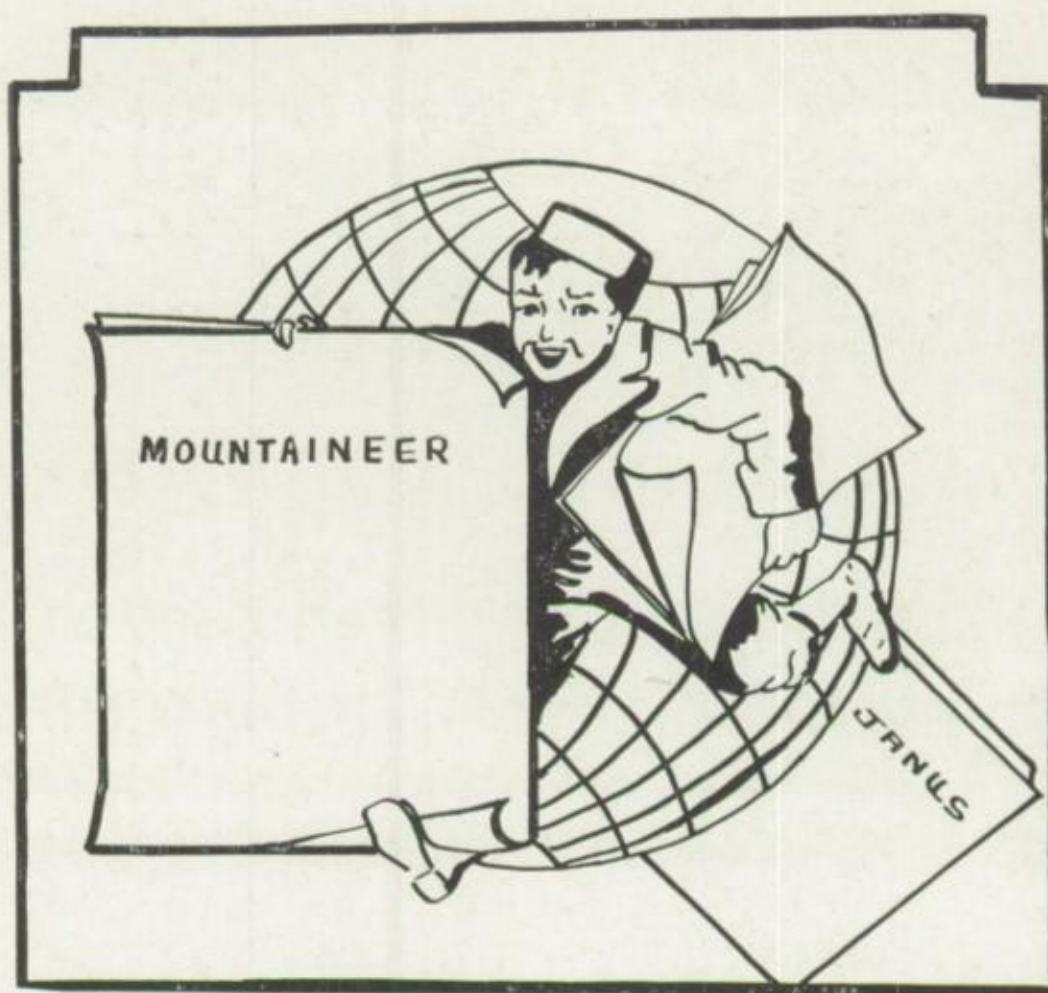

Loads of luck to all the new comers to this club. We are sure you will be successful.

The greatest mistake you can make

Jr. Mountaineer Staff

Since many of the students in the Annex were interested in writing and it was impossible for us all to go to the main building for regular work with the Mountaineer staff, we decided to form a Junior Mountaineer Club at the Annex. We were given permission to use our study periods twice a week for our meetings.

These clubs have also had some social affairs. We conducted a highly successful dance at the Y. W. C. A. on December 11 and another one in February.

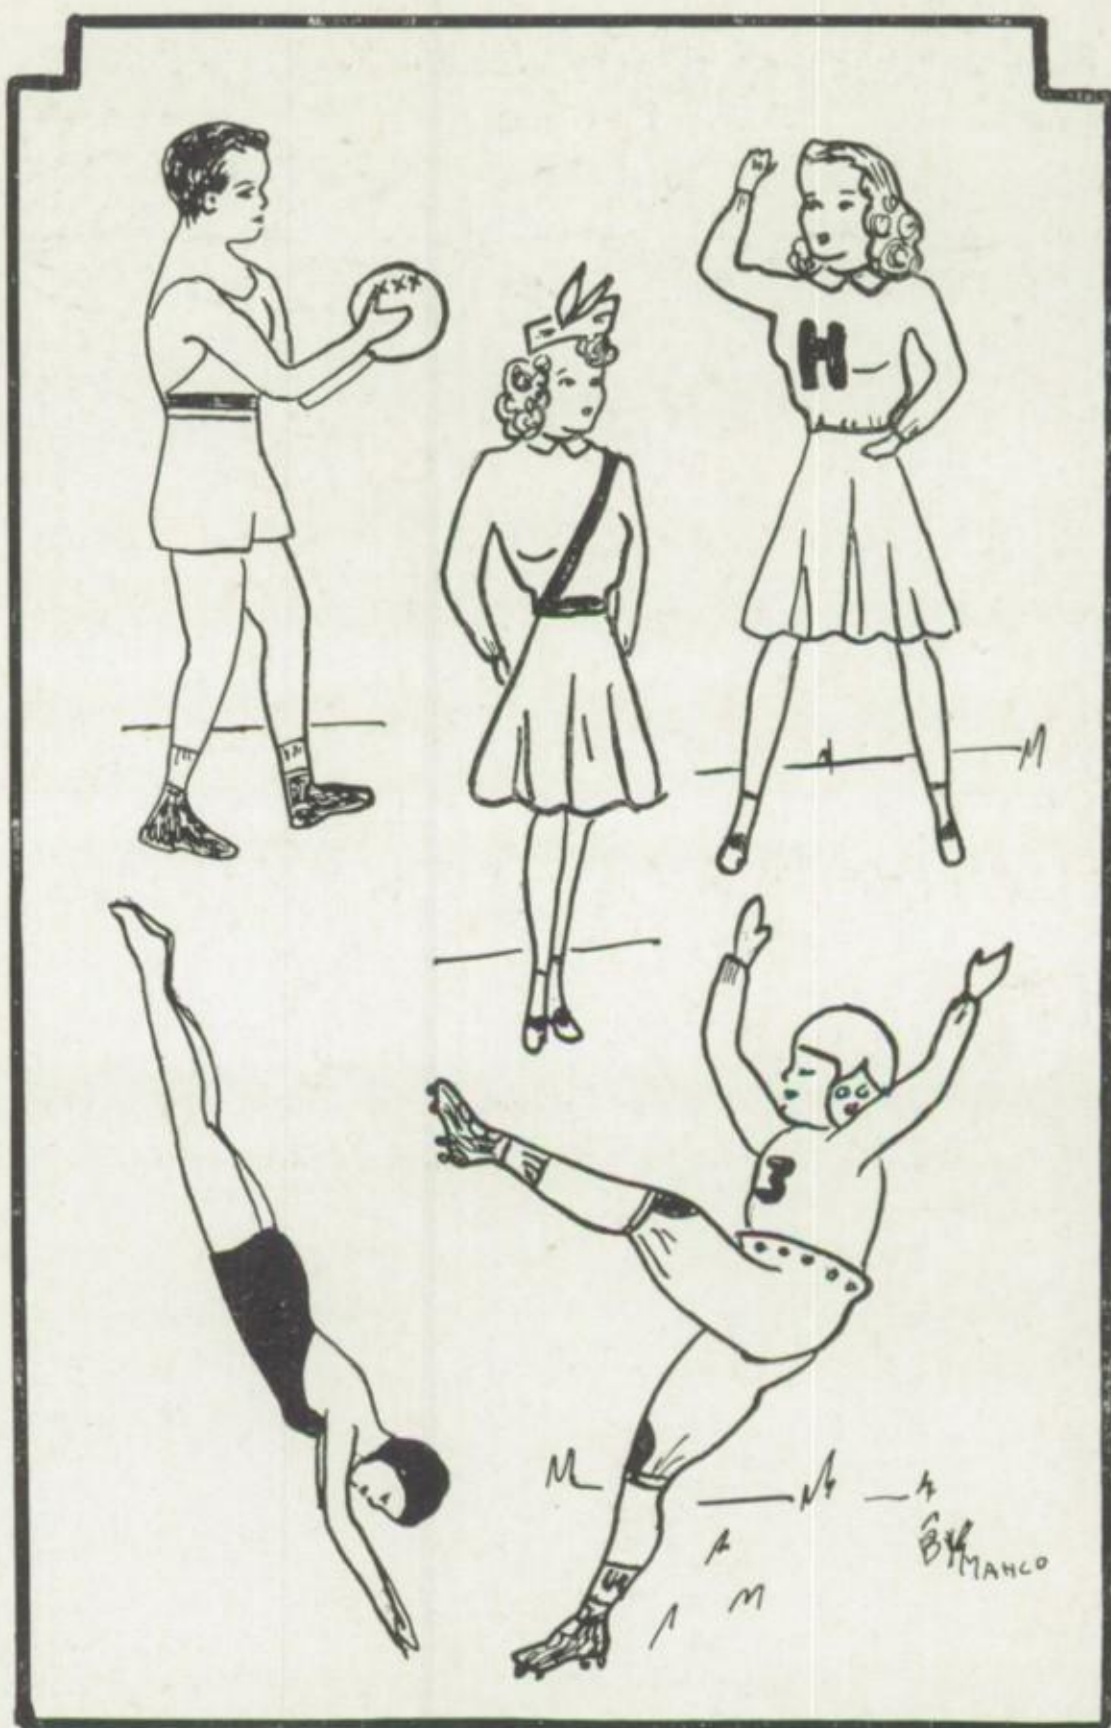

Our work has been supervised by the two English teachers at the Annex, the Misses Isabel Dryfoos and Anna Hoffman. We feel that we have profited both socially and educationally from these activities, and hope that the incoming class of "41" will continue the club's work and find as much pleasure in it as we have.

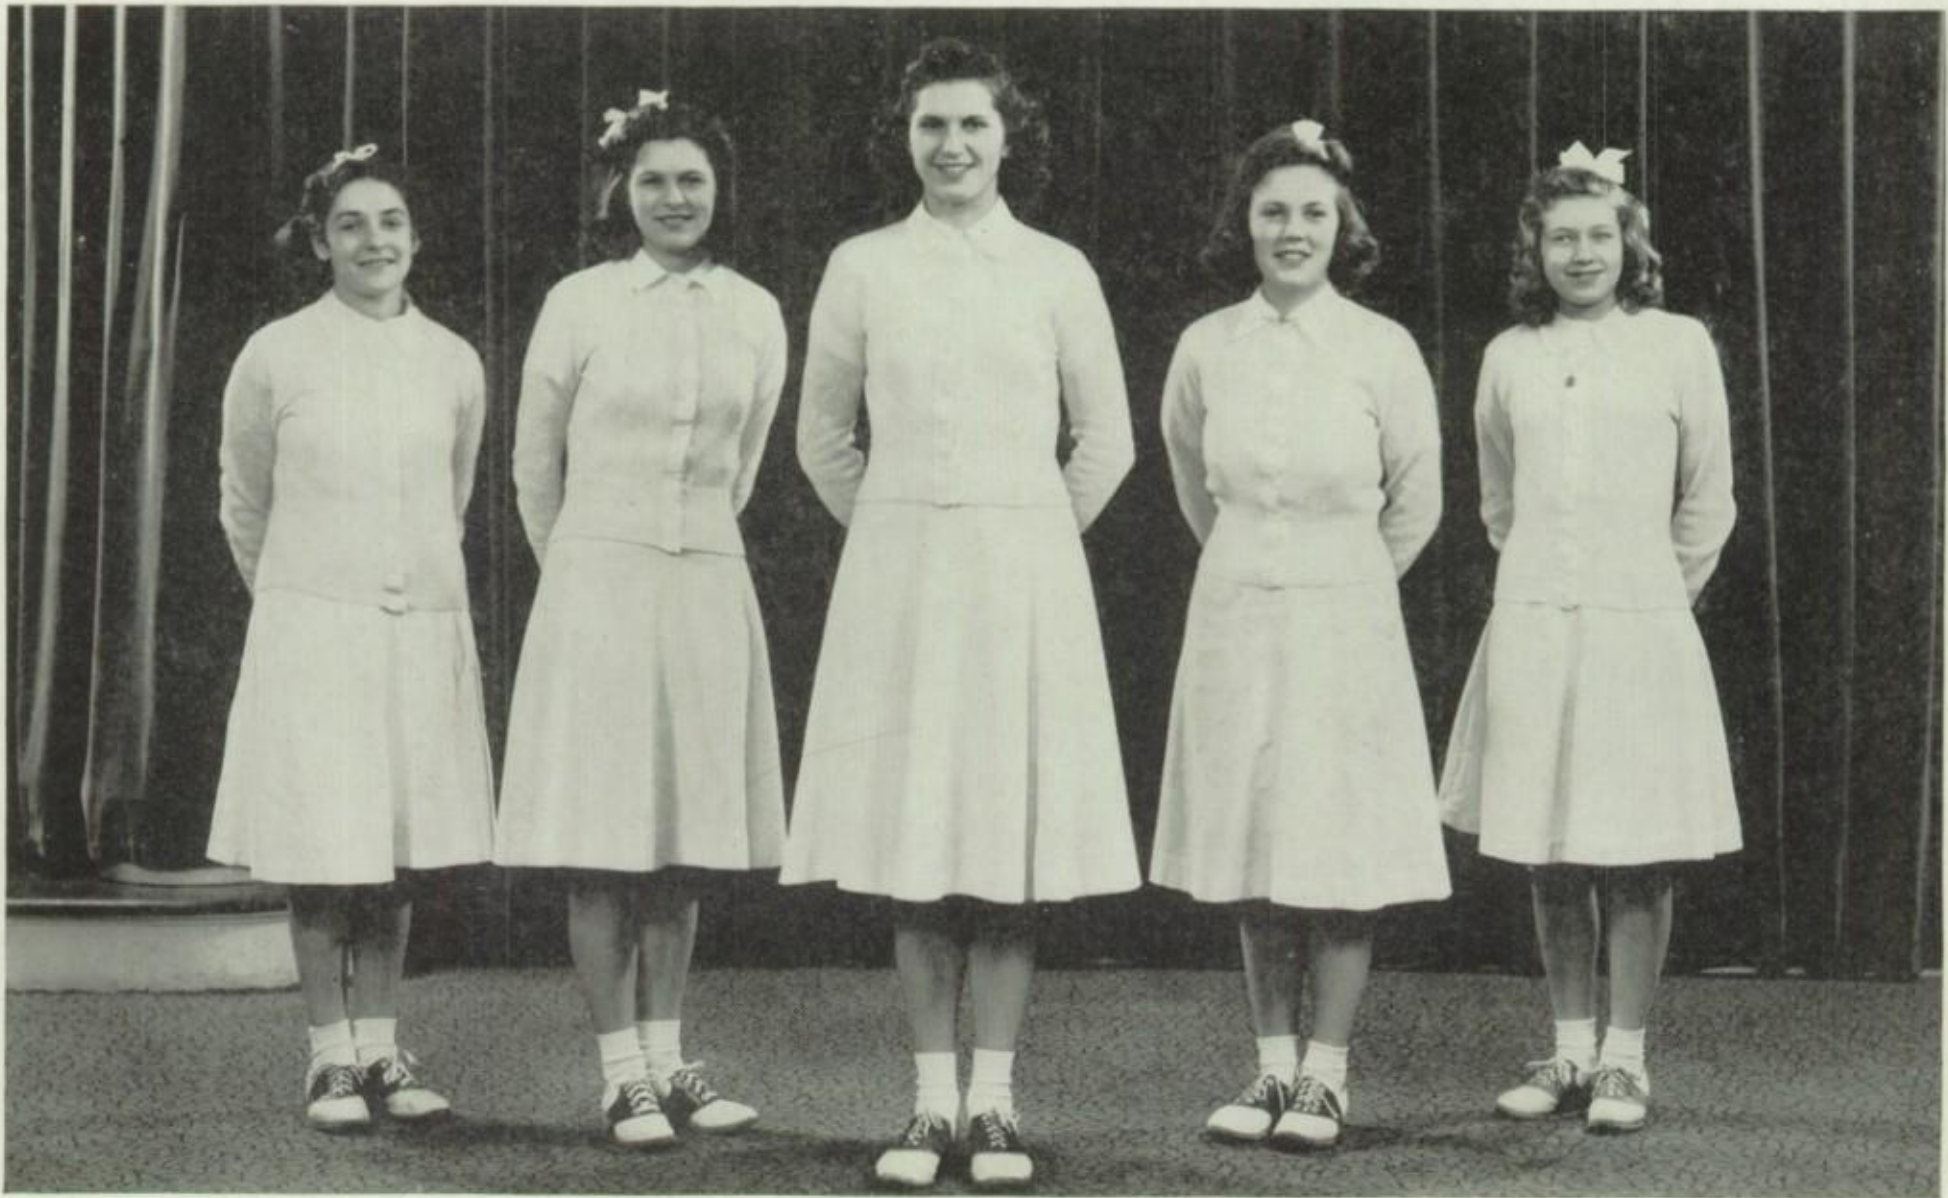

Initiative is doing the right thing
without being told.

Usherettes

Each year many new faces appear at our football and basketball games. These people are not always familiar with the location of their seats. In order to save them time and trouble, a new organization of usherettes has been organized. They have appeared at all football and basketball games this year, and are always ready to be of any service to fans. Their aim is to make all spectators at games as comfortable as possible. The members of this organization are:

The Hazleton High School Basketball Team opened the season of 1940-41 as an unknown quantity. All of the veterans of the previous year had graduated. The team started slowly, but gained momentum as the season progressed, and really surprised their followers by capturing the first half Eastern League title. The fact that they did not repeat in the second half, and lost in the playoff for the 1940-41 title, did not dim the remarkable accomplishments of this year's squad. Coach Hugh McGeehan and his aides, Frank Serany and Vernard Fegley, are to be commended for the exceptionally fine job they have performed.

A brief resume of the season is presented for your enjoyment.

December 6

Hazleton 25

Northampton 18

In the opening tilt of the season the H. H. S. Basketeers showed that they were a team with possibilities. They came through in the latter periods of the game to score a victory. Moran and Smith sparked the H. H. S. team, while Jacoby and Yanik starred for the opposition.

December 10

Hazleton 41

Bloomsburg 12

In this game the Mountaineers seemed to be rounding into form, and they showed signs of a speedier and more aggressive attack. The Sweeney, Smith, Steckroth, Polmounter, Hospidor, combination showed signs of developing into a real pennant contender.

December 13

Hazleton 36

Milton 23

Again the Mountaineers came through, this time for a 36-23 victory over Milton High. Milton, being the toughest team met so far, played a smart game, but they were no match for the improved Mountaineers. Sweeney and Moran starred for the Blue and White.

December 17

Hazleton 17

Williamsport 20

On December 17 the Billports brought forth a veteran team of deadshots, and defeated the Mountaineers on their home court. Our opponents played good basketball, and the sharpshooting ace, Brenner, led their attack. Poor foul shooting was the main cause for the Mountaineers initial defeat.

December 20

Hazleton 17

Reading 22

Reaching the end of their pre-season exhibition tilts, the Mountaineers bowed to Reading. Many weaknesses were still evident that needed mending in preparation for the tougher games yet to come. Although much improved from the last game, the Mountaineers could not defeat the powerful Reading Quintet.

January 3

Hazleton 34

Bethlehem 23

Before a capacity crowd, the Mountaineers beat Bethlehem in one of the season's most interesting games. The McGeehanites put on a

wonderful exhibition of team work. Each member played like a veteran and it would be impossible to single out one or two as the stars of the game.

January 7

Hazleton 26

Williamsport 29

A large crowd of Hazleton fans flocked to Williamsport to see one of the most exciting games of the season. With good teamwork the Mountaineers were able to secure a 13-12 lead on the Billports at half time, but were unable to keep it. They were finally conquered by a veteran Billport quintet. Bresnock played a remarkable game, scoring several baskets at opportune moments.

January 10

Hazleton 31

Pottsville 17

Profiting by their loss to Williamsport, the Mountaineers came through for a victory over the Potters. The defensive work of the Hazleton team was outstanding. Hospidor, Polmounter, and Smith starred for the locals. "Sonny" Boyer was the best for a potentially strong Pottsville team.

January 17

Hazleton 31

Allentown 25

On January 17 the Mountaineers subdued their most important opponent to the tune of 31-25. The first quarter ended 5-4 in favor of H. H. S., and at the end of the second quarter, the Blue and White in full stride, led 17-8. It was in the second half of the game that the excitement became intense. Allentown started to creep up on the Mountaineers, but they were stopped by a fighting H. H. S. Quintet. Each member of the team played an exceptionally fine defensive and offensive game. Smith came through for three brilliant shots in the last quarter which really decided the game in Hazleton's favor.

January 21

Hazleton 39

Easton 30

H. H. S. fans were pleased with the excellent defensive and aggressive teamwork exhibited by the Mountaineers in defeating Easton by a score of 39 to 30. Steckroth, playing his usual good game at center, was outstanding in retrieving the ball for H. H. S., while Smith was the outstanding scorer. Easton was an aggressive and smooth functioning team. They put up a determined battle before bowing in defeat.

January 24

Hazleton 38

Tamaqua 29

Hazleton journeyed to Tamaqua for the final game of the first half league race. The two teams met before a packed house, and thrilled their fans with a beautiful exhibition of basketball. The superior team play and shooting of Hazleton enabled them to emerge victorious. They had successfully gone through the first half campaign without a defeat and were the first half champions of the Eastern League.

January 28

Hazleton 45

Shenandoah 22

Hazleton made short work of a weak Shenandoah team. The final score was 45 to 22 in the local team's favor. Many varsity hopefuls of next year were given a chance to display their ability.

February 4

Hazleton 16

Behtlehem 32

Tragedy marked the opening game of the second half. The Mountaineers were upset to the tune of 32-16 by Bethlehem. Our opponents played a brilliant game, and their sharpshooting ace, Venninger, could not be halted. In contrast our team had shots that rolled around and then dropped out.

February 7

Hazleton 28

Pottsville 27

Hazleton started by scoring a number of baskets with ease. It appeared at the beginning as though the game would be an easy conquest for the home team. In the second half Pottsville came to life, and by the end of the regulation game had tied the score. In the overtime period some brilliant work by Bresnock and Hospidor saved the day for Hazleton.

February 14

Hazleton 22

Allentown 29

A fighting Hazleton team was defeated by Allentown at Allentown, by a score of 29-22. The Mountaineers displayed their best form of the year, but the superior reserve strength of the Canaries was too great an obstacle to overcome. The game was very close throughout, the score being tied at 14-14 at half time. Each member of the Mountaineer team played a hard, consistent game.

February 21

Hazleton 30

Easton 31

Hazleton lost a heart breaker to Easton by a one point margin. The Red Rovers started fast, and soon had gained a sizable lead. The Mountaineers finally tied the score, and then went one point ahead with seconds remaining. Easton was not to be denied though, and a long shot by Rothenhausler settled the game in their favor.

February 28

Hazleton 36

Tamaqua 23

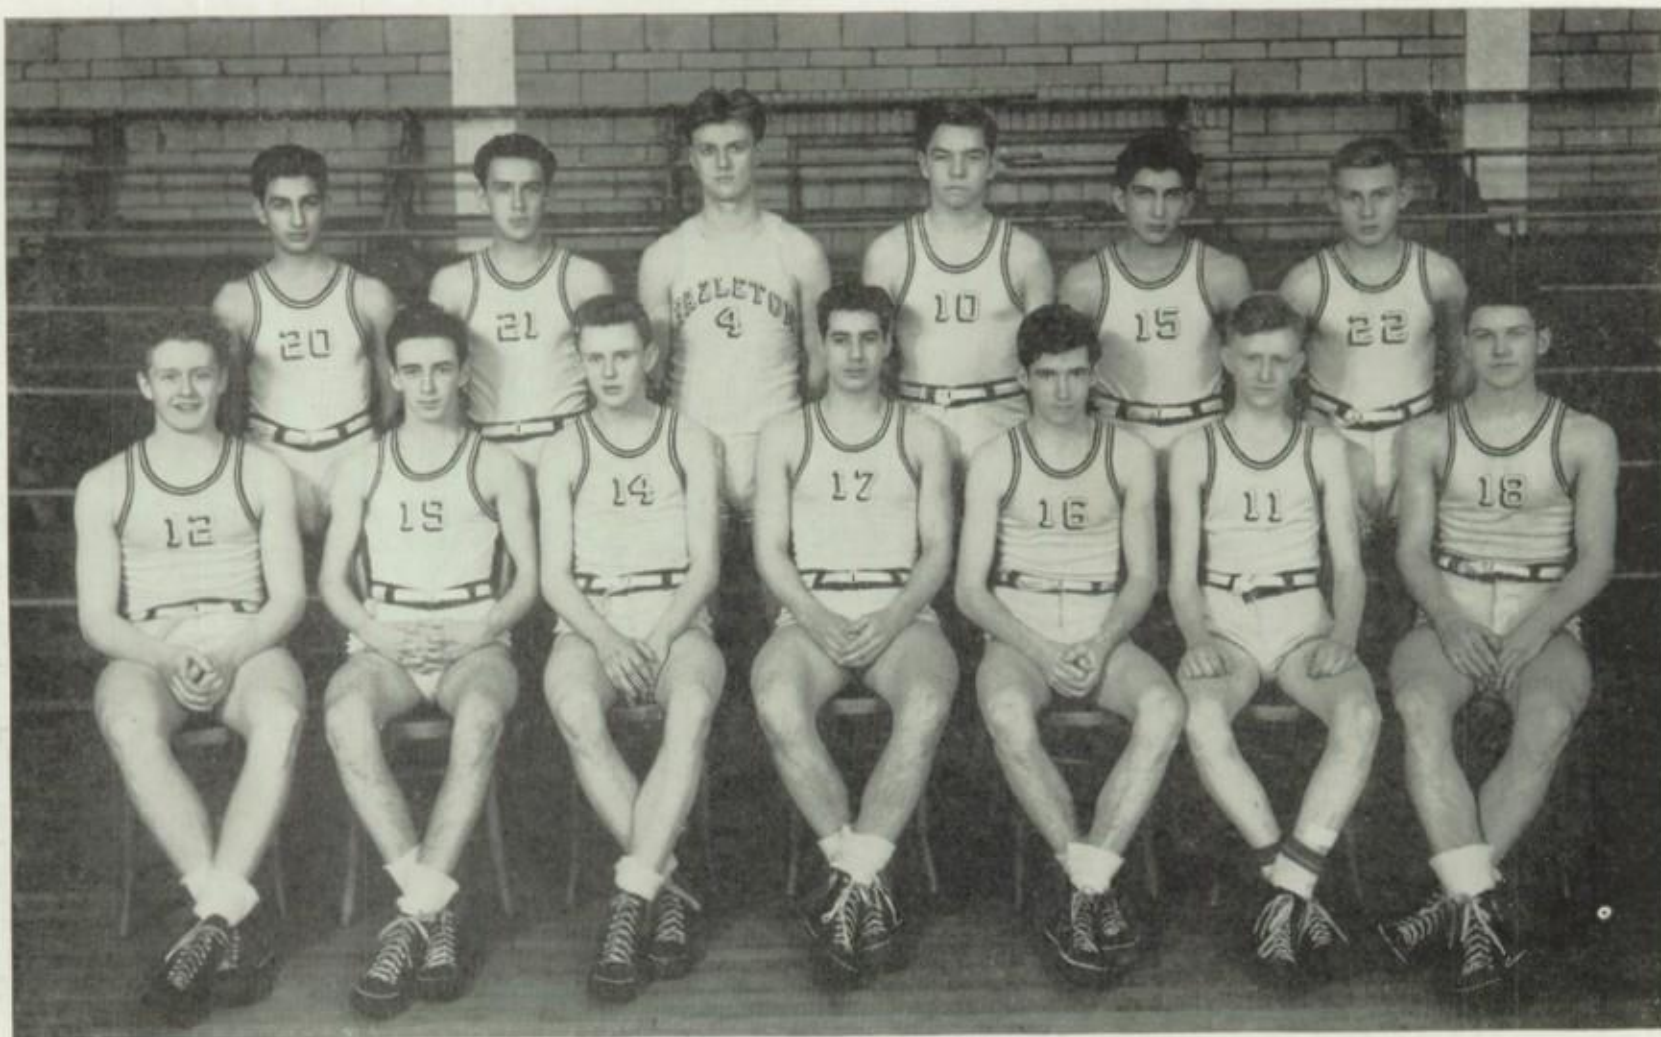

With Moran running wild, the Mountaineers succeeded in trouncing the Tammies by a score of 36-23. Bresnock, Smith, Hospidor, and Moran played in championship form.

March 4

Hazleton 24

Allentown 32

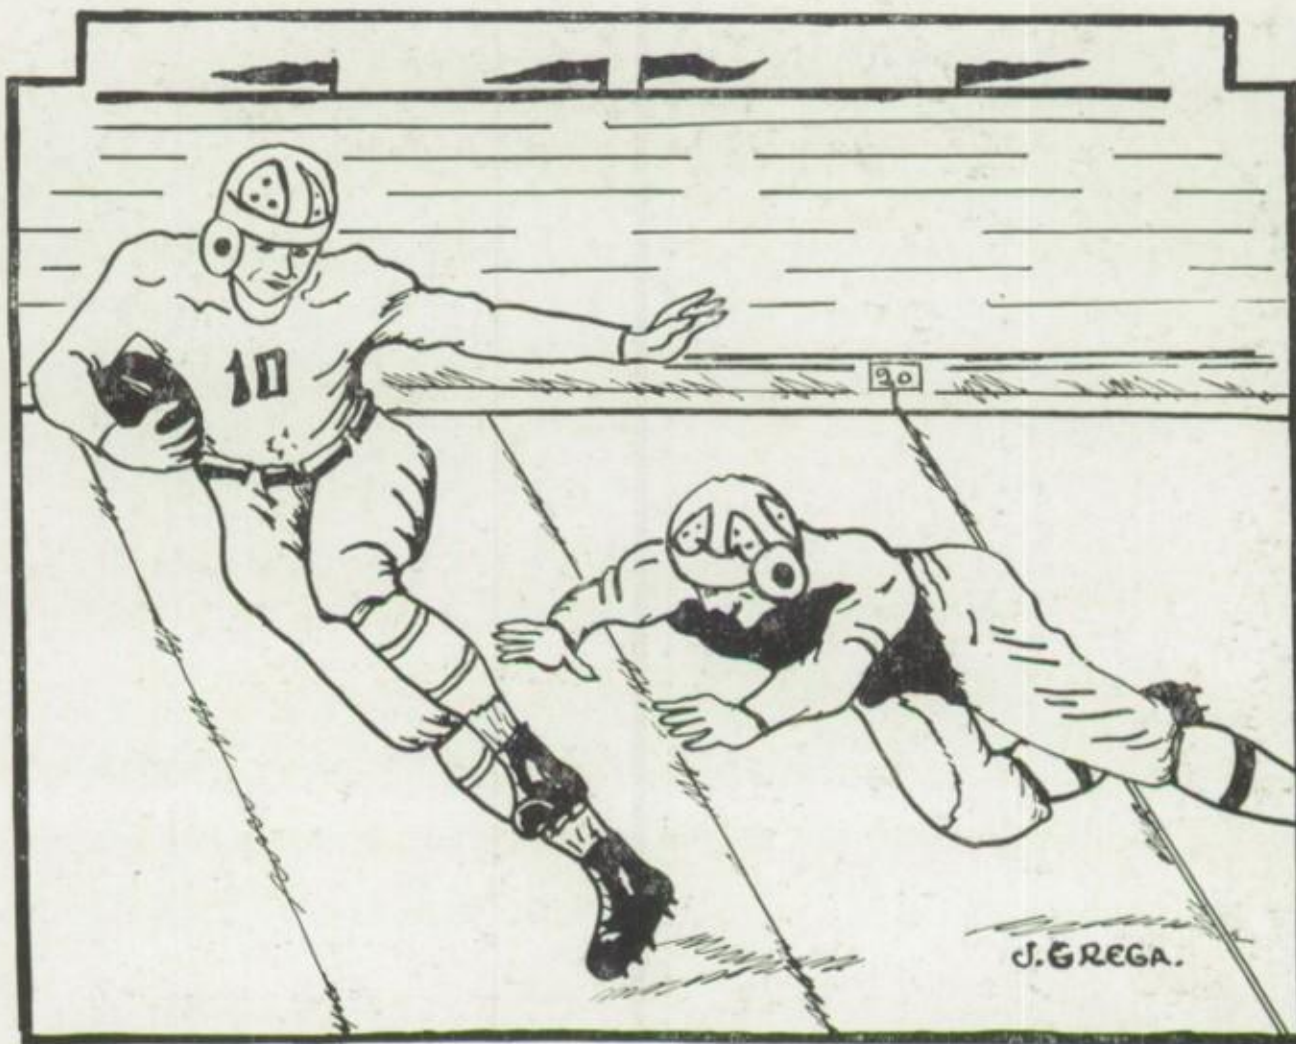

Before a record crowd of 7,500 rabid fans in the University of Pennsylvania Palestra, Hazleton met Allentown to determine the league champion. The game was close and exciting until the final minutes when the superior reserve strength of Allentown decided it in their favor. The whole Mountaineer team performed capably, and they were not disgraced, even in defeat.

* Denotes away games.

The team of 1940 is gone. May they leave with us many of those qualities they possessed, above all their courage and their determination to improve day by day. They suffered bitter disappointment, yet always smiling like the true champions they were, they gave us their best.

S. J. Oleniczak,
Head Football Coach

September 20

Hazleton 6

McAdoo 0

The Mountaineer's season got off to an auspicious start when they defeated a strong McAdoo team at the Harman-Geist Stadium. The game was hard fought throughout, but the Mountaineers smashed through for six points in the first quarter. This was the extent of the scoring for the game, although both teams threatened several times.

September 28

Hazleton 0

Williamsport 14

A very strong Williamsport team subdued a fighting Hazleton team in the second game of the season. The Mountaineers were able to hold the visitors at bay most of the game, but two quick thrusts by the veteran Williamsport aggregation decided the encounter in their favor.

October 4

Hazleton 0

Shenandoah 13

The Blue Devils of Shenandoah finally broke the jinx held over them by Hazleton. The Blue and White held the upper hand for most of the game, but several costly fumbles spoiled their scoring chances. Finally the superior strength of Shenandoah enabled them to score twice in the final quarter.

October 12

Hazleton 0

Steelton 20

Hazleton journeyed to Steelton for their second conference game, and suffered their third consecutive defeat. The Steelers displayed a varied attack and mixed up their plays nicely. The Mountaineers again suffered on the attack by fumbling at crucial moments.

October 18

Hazleton 12

Hazle Township 0

The Mountaineers returned to the win column by defeating a stubborn Township eleven under the lights at Harman-Geist Stadium. The game was hard fought throughout, but the excellent team play of the Blue and White carried them to victory.

October 25

Hazleton 46

Freeland 7

On a wet, muddy field the Mountaineers ran up their biggest score of the year. The Blue and White team clicked beautifully, and they presented a varied attack. Most of the squad were given an opportunity to show their ability.

November 2

Hazleton 0

Bethlehem 15

The mighty Bethlehem team, and ultimate conference champions, needed the breaks they received to defeat a gallant Blue and White team. Hazleton outplayed and out fought the Red and Blue for three quarters of the game, yet due to costly misplays were behind 8-0. Finally the Red Hurricane, in the final quarter, were able to push across another touchdown.

November 9

Hazleton 7

Shamokin 21

The Shamokin Greyhounds were easily the best drilled and smartest team to meet Hazleton at home all season. They played smart, hard football. The Mountaineers played a good game, and came out of the tussle with the distinction of being the first team to cross Shamokin's goal line this season.

November 15

Hazleton 12

Pottsville 7

Hazleton registered their first conference win by beating Pottsville on a rain soaked field. The Mountaineers were an aggressive, hard charging team in this game, and really dominated the play more than the score would indicate.

November 28

Hazleton 18

Sunbury 0

On a snow covered field the Mountaineers defeated Sunbury in the final game of the season. Poor playing conditions limited both teams, when on the offense, to straight football. Sunbury was completely outclassed by the fighting Blue and White of Hazleton.

Winning the final game enabled Hazleton to finish the season with five wins and five losses. This is really a tribute to the excellent coaching of Stanley Oleniczak and Paul Shaw. They started the season with an almost entirely new squad. Starting out with very little the coaching staff developed the boys into a fighting well drilled team. With a few good breaks they might have been one of the best in the conference.

Boys' Swimming Team

Under the guidance of Coach Danny Gregoria, the Hazleton High School Swimming Team completed their most successful season. They finished in a three way tie for the championship of the newly formed Eastern Pennsylvania Interscholastic Swimming League. This was made possible when the team defeated the three time State Championship York Team. The dual season ended in a blaze of glory when Hazleton defeated Allentown.

Individual recognition was gained by John McGrory and Gene Thompson, who placed second and third respectively in the 220 yd. free style event in the State Championship meet held at Penn State. Other notable performers were Higgins and Leonard as divers, Jerry Adamo in the free style event, and George Perchansky and Bernard Boyle in the backstroke and breaststroke respectively.

Girls' Swimming Team

Splash! Look out you'll get wet. It's the Girls' Swimming Club again, merrily swimming through the year of 1940-41. The club is under the able guidance of Miss Helen R. Wills, faculty advisor. We've been busy practicing up on our strokes and dives for our annual Water Follies, presented on April 29. Our assembly program, a thrilling one-act play entitled, "The Spider" was a big success. Another outstanding event was our swimming party held during the winter. Of course, the one event looked forward to by each and every member of this organization is the "Spring Dinner Dance". This is always quite an occasion.

To the Seniors, who were most active, pins of recognition were given.

Dearest Peggy.

Since I know you Peggy, and that is as far back as I can remember, I have enjoyed many happy times with you. Your witty remarks have gotten us both into and out of trouble together. May your sense of humor hold out throughout life and bring you continued success.

To a girl who has been my bosom friend for many years, I wish all the success and happiness you deserve. In addition to this may you have an abundance of all other good things. "Keep smiling and success will be yours."

"As Ever"

Helen

Dear Peggy,
I have known you for only
one year, but I have enjoyed your
friendship thus far. I certainly hope
that you and I will be in the same
homerooms while juniors and seniors.
Even though we got into many arguments
~~to~~ we always turned out to be as good
a friends as ever. It certainly was a
pleasure to work with you throughout
our sophomore year at the unref.

Don't forget to come out to
Hums this summer and visit me, and
I would also like you to write to me.

Well to come to an end. I
say "May you be successful in all your
undertakings and come smiling through."

Love from a
farmerette

Lorraine Balfet

P. S. If you go

camping at Rumbels' this summer,
don't forget to drop in and see me.

dearest (one of my best friends)

May 29, 1941.

Hope

Dear Peggy;

(- - -)

I'm writing in this jam so when you get to be an old woman sitting in your rocking chair you can get out this book and refresh in your mind the swell time she had in H.H.S. and the "Milk Bar".

I only know you for one year but we sure did have swell times in that little time. Remember the good times we used to have at noon hours. I hope you never forget the marvelous times we had at the Milk Bar. We used to make it a mad house. When our gang isn't there it was empty. We sure did make a fun house out of it. I hope you don't forget the swell time we had on our party at Euclid Park. "Remember the cabin". The fun you had in the rumble seat coming home. We all sure did have a rare time that day. It is too bad you don't go to Hazelton High School instead of the annex. We won't mind going to school. But anyway we still have fun and hope it continues.

Well Peggy I really haven't anymore to write because I didn't know you long enough to write all I would like. All I hope is we were good friends ever since we met and hope we remain being friends. I wish you all the luck and success the world can give because you really deserve it. Best of luck and hope you enjoy your other two years of school. Hope you remain going to the milk bar. Well here I'm wishing you for the last time, health, happiness, success in the future. - 6 - your friend, Betty Broadt.
